Township Adopts Regulations Regarding Peddling/Soliciting

At the August 3, 2017 meeting of the Township Board of Supervisors, the Board enacted regulations governing peddling, soliciting and related activities within the Township. These regulations went into effect on August 8, 2017. A copy of the Ordinance and forms are available at the East Donegal Township Municipal Building, 190 Rock Point Road, from either the Township Office or the office of the Susquehanna Regional Police Department.

Those peddling or soliciting within the Township are now required to carry and display a Township License issued by the Susquehanna Regional Police Department and must show the license on demand. Please note that Charitable Organizations; Children selling items to support clubs or organizations such as the Boy or Girl Scouts; Farmers selling their own produce; and Political speech are exempt from the licensing requirement of the Ordinance. However, these types of groups are required to register with the Police Department.

No person engaged in peddling or any transient retail business shall:

- Sell any product or type of product not mentioned in his license.
- Hawk or cry his wares upon any of the streets, alleys, sidewalks or public grounds in the Township.
- When selling from a vehicle, stop or park such vehicle upon any of the streets or alleys in the township for longer than necessary in order to sell therefrom to persons residing in the immediate vicinity.
- Park any vehicle upon any of the streets or alleys in the township for the purpose of sorting, rearranging or cleaning any of his goods, wares or merchandise or of disposing of any carton or wrapping material or of any stock or wares or foodstuffs which shall have become unsalable through handling, age or otherwise.
- Peddle, solicit or distribute merchandise except between the hours of 9:00 a.m. and 6:00 p.m., unless specifically having been invited into a house by the occupant or having made an appointment with a person previously.
- Attempt to peddle, solicit or distribute merchandise or printed material without first having identified herself/himself as a peddler, solicitor or distributor registered with the Township and having displayed her/his License or credentials in the case of solicitation of funds.
- Have exclusive right to any location in the public streets or operate in any congested area where operations might impede or inconvenience the public.
- Enter or attempt to enter the residence of any person in the Township without an express invitation from the occupant of such residence.
- Conduct herself/himself in such a manner as to become objectionable to or annoy an occupant of any residence.
- Distribute obscene merchandise or printed material or that which advocates unlawful conduct.
- Litter the street, public places or properties within the Township with any merchandise or printed material.

To report violations of the ordinance, residents are requested to call the Susquehanna Regional Police at (717) 426-1164 during normal business hours, 8:00 AM – 4:00 PM, Monday – Friday. After hours, violations should be reported to our 24-hour Lancaster County Communications Center at (717) 664-1180.

Snow Removal Guidelines

East Donegal Township divides the Township into zones for snow removal. Each zone is assigned specific drivers and equipment. Within each zone main roads are plowed first, followed by secondary streets, then developments. Alleys (single lane roads or streets) will be last.

Residents are reminded that the Township has a general policy for snow removal, however each storm event may be a cause for change. Salt material is spread on the roads at the start of the storm and when snow starts to accumulate. In most cases the Township will plow the street two separate times. The first time will be to clear an access to the primary roads and the second pass will push the snow back to the edge of the street. This is done to provide clearance on the street and to insure an adequate area to plow additional snowfall.

Property owners can assist the Township by following these suggestions

- * One of the most important ways to help is by **not parking vehicles in cul-de-sac or narrow streets**. Plows cannot get into a turn-around when cars are parked on the street.
- * Please keep vehicles off the street until the street has been completely cleared of snow.
- * Know that when streets are plowed, the snow will go in your driveway. Clear an area on the edge of the street before your driveway to allow much of the snow to leave the plow before it gets into your driveway.
- * If possible, you may want to wait until the street is plowed before clearing driveway openings.
- * **Do not shovel the snow into the street.**
- * Shovel snow away from hydrants located on or near your property.
- * Motorists need to have a greater awareness of Township vehicles salting or plowing snow. The Township vehicle is performing an emergency service and **motorists should not interfere or impede the plow in any way**. When clearing the street the Township vehicle may behave in an unexpected way, such as backing up a short distance against traffic. **Do not attempt to pass a snow plow.**
- * **Mailboxes:** When removing snow from the roads plowed snow may damage mailboxes. Wet, heavy snow increases the chance of damage to the mailboxes. To reduce the potential for damage make sure your mailbox is secured tightly on a sturdy post. **Residents are reminded that damage occurring from plowed snow is the owner's responsibility.** The Township crew makes every effort to avoid damaging mailboxes.
- * **Basketball Poles/Nets:** Basketball poles are not acceptable items within the Township right-of-way. As an unapproved structure within the legal right-of-way, the following applies:
 - * East Donegal Township will not pay for any damage to basketball poles, nets or any other recreational equipment located within the public right-of-way that is damaged by plowed snow or struck during plowing operations.
 - * East Donegal Township will seek full payment for any damage to salting/plowing equipment caused by recreational equipment located within the public right-of-way.
- * Snow/ice should be removed from sidewalks within 24 hours of the last snowfall.

PROPERTY MAINTENANCE

In July of this year, the Board of Supervisors approved an amendment to the Township Code of Ordinances providing for property maintenance code provisions to be applied to properties and buildings that contain three or more dwelling units.

The purpose of these provisions is to assure that properties and buildings as well as the individual rental units are maintained for both the benefit of the owner, the safety of the tenants and the adjoining tenants and the health, safety and general welfare of the public at large.

The provisions for the maintenance of properties, buildings and individual dwellings focus on five key, life-safety components only:

1. General overall condition of the exterior of the building;
2. General overall condition of the interior of each dwelling unit and any common areas;
3. Smoke detectors;
4. Doors and windows; and,
5. Stairways, handrails, decks and balconies.

These provisions shall apply to all properties with buildings containing three or more dwelling units, housekeeping and/or rooming units and their associated accessory structures, facilities, and equipment.

This program will operate on a complaint basis. If a complaint is verified, along with remedying the violation a service charge (yet to be established), will be assessed. However, if a complaint is registered and the complaint is unfounded, the service charge will be assessed against the complainant.

Complaints can be registered through the Code Official at 717-426-3167. All complaints must be in writing and include the name, address and specific occurrence of the property, building or dwelling in question as well as, the name and contact information of the complainant. No investigation will be undertaken without this necessary information.

Just because something says flushable, it does not mean it is bio-degradable. Nothing should be flushed into the sewer system except human waste and toilet paper.

PPL – Lights Out

If there is a street light out, call PPL, # 1-800-342-5775. There are two strips of numbers on the pole. You will need these, the location of the pole and identify the problem (out, cycling on & off, dim, etc.) when calling. Call for street lights out, power outages, wires down, etc.

Filing of Zoning Ordinance Complaints

East Donegal Township receives frequent calls, letters, emails, and verbal complaints about possible Zoning Ordinance violations within the Township. Among these are many anonymous complaints, of which the staff will NOT investigate.

Chapter 27, Part 11, Section 1102.C. of the Township Code of Ordinances addresses the procedure for complaints regarding violations of zoning regulations and reads as follows:

C. Complaints regarding violations. The Zoning Officer may, and, when in receipt of a signed written complaint stating fully the cause and basis thereof, shall, investigate alleged violations of this Chapter.

In order to investigate, the person making the complaint must provide the address and / or tax parcel number of the property where the alleged violation is taking place. In addition, complaints that are mailed in or presented at our Township office must be signed and provide contact information so the Township can verify this is actually the person making this specific complaint.

MAYFEST 2018

A Celebration of Maytown's History

Mayfest is coming back to Maytown! The Maytown Historical Society is bringing this historical celebration to Maytown again! Celebrating the history of our small town is important and we hope that this event will spark local interest and bring together young and old in our community! Everyone is invited to join us.

Since Maytown was founded on May 1, 1760 Mayfest will be held on the first Saturday, May 5, 2018 from 9:00 AM to 4:00 PM with something for everyone! There will be a walking house/garden tour of homes within walking distance from our square. The famous Maytown Historical Society food stand will be held in the rear yard of the

Maytown/East Donegal Museum at 4 West High Street. Also featured will be vendors with a historical theme – some selling their wares and some demonstrating their craft. Children's crafts with a historical theme, a 25 cent cakewalk, and of course, the traditional Maypole Dance are only some of the planned activities.

Mark this special day on your calendar now and stay tuned for more information and activities closer to the date. You'll be glad you did!
