Storm Drains and keeping them free of debris

Storm water becomes a problem when it picks up debris, chemicals, dirt, trash and other pollutants. Storm water travels through a system of pipes and road side ditches that make up the storm sewer systems. It eventually flows directly to a lake, river, stream, wetland or coastal water. All of the pollutants storm water carries along the way also empty into the waters because storm water is not treated.

Grass clippings and leaves are very common pollutants in the storm drains. Please refrain from allowing your grass or any other pollutants (including water from swimming pools) to enter the storm drains. Reminders will be sent to residents throughout the year wherever there are excess amounts of pollutants entering the storm drains.

AFTER HOURS PAYMENT BOX

The drop box for after hour payments is located on the utility shed in the parking lot of the township building. The box is checked at the beginning and end of each business day. Accounts are credited based on the dates they are received by 4:00pm. Payments made after 4:00pm on the due date will be considered late.

Sign Up To Receive Township E-mails

In an effort to keep you informed, we offer the opportunity for residents, and interested non-residents, to receive E-mails directly from East Donegal Township. These E-mails may include news regarding up-coming events or meetings, important notices and even a link to the Township newsletter on-line. To sign-up, go to the Township's website (www.eastdonegaltwp.com) and complete the on-line form. Be assured that the Township will not provide your E-mail address to anyone else and you will always have the option of being removed from our E-mail list.

The Susquehanna Regional Police Department has a permanent "prescription medication drop box" at the Police Department for citizens to safely dispose of expired, unused, and unwanted prescription drugs.

The drop-box is anonymous; no questions or requests for identification will be made by law enforcement personnel. Residents should remove their personal information from containers before depositing them in the Take Back Box. Bring your expired, unused, or unwanted medication to the East Donegal Township Municipal Building (190 Rock Point Road) for proper disposal. Drugs must be in a container such as a pill bottle, box, blister pack, or zip lock bag. Leave liquid medications in their original containers. No needles, aerosols, or biohazard materials may be deposited. Do not put medical equipment, batteries, syringes, or other biohazard waste into the drop-off boxes.

CUB PACK #150

The cub scout pack has been busy the past few months since starting back for another scouting season.

There have been den meetings going on since the start of the school year. The scouts meet every Tuesday evening at Donegal Presbyterian Church or virtually over zoom. Some recent highlights from the pack include participating in BSA's Scouting for Food program to collect food from the Marietta community and delivering to the food bank in Maytown. The scouts and parents love doing this and it's a great opportunity to discuss helping others.

Several of our dens recently met and toured with the Maytown Fire Department and Susquehanna-Regional Police department to fulfill requirements about meeting a first responder. Our Lions, Tigers, and Wolf scouts (Grades K-2) participated in a tour learned about fire safety, checking smoke detectors, and having an escape plan. Our Bear and Webelos 1 den (Grades 3-4) met with the police department for a tour too. They learned about importance of law enforcement in the community, got to see the gear used, and got to ask questions about what it's like being a police Officer. Special thanks to both departments for having the scouts!

Upcoming events include our annual weekend winter camp out, pinewood derby, and our Blue and Gold Banquet.

Northwest EMS

CPR is a life-saving skill you can learn through Northwest EMS. We are now offering classes in the communities we serve: Elizabethtown, Manheim, Maytown, Brickerville and surrounding areas. To find a class that meets your needs, whether it is CPR/AED certification for employment, or Hands-Only CPR for citizens, call Lori Shenk, Community Outreach Manager, at 717-371-8282. We also provide first-aid classes, bike-safety awareness, and other programs.

If you are considering a career or volunteer service with an ambulance, Northwest EMS offers two options.

High school students in Elizabethtown and Donegal school districts can contact their guidance counselor about enrolling in an EMT course leading to certification through the National Registry of EMTs. During 2021, 38 students were certified, including 26 as EMTs and 12 as Advanced EMTs.

Other area residents can sign up for EMT classes co-hosted by Northwest EMS and the ETOWN EDGE community education program at Elizabethtown College. Look for the course at edge.etown.edu.

If you have not yet sent your annual ambulance subscription for Northwest EMS, you can still pay online at nwems86.org/services/. Click on "Pay Online." A voluntary subscription benefits you by covering the deductible or co-pay part of your ambulance bill from an emergency response. It also helps the community by providing funds for ambulance equipment and crew training. Call 717-361-8220, ext. 4, for subscription information.

The Maytown Historical Society was founded in 1985 to help preserve the history of Maytown & the surrounding areas. The Historical Society has a display case located in the lobby of the East Donegal Township Building. The display in the case currently showcases the events of the Historical Society since 1985. They are looking forward to 2022 when once again the town of Maytown will hold Mayfest, a long-standing tradition held in the Center Square. The museum will be open during Mayfest.
